

Instructions for Request for Cancellation of Public Charge Bond

USCIS

Department of Homeland Security
U.S. Citizenship and Immigration Services

Form I-356
OMB No. 1615-0141
Expires xx/xx/xxxx

What Is the Purpose of Form I-356?

You should use this form to request cancellation of the public charge bond that was submitted on Form I-945, Public Charge Bond, on behalf of an alien (someone who is not a citizen of the United States).

Who Must Complete and File Form I-356?

Form I-356 has several parts that must be completed either by the obligor (the person who has posted the bond) or by the obligor's authorized agent (co-obligor, for surety companies only) who posted the bond on behalf of the alien, or by the alien. If the alien is deceased, the executor of the alien's estate may complete the alien's part on behalf of the alien.

This form must be submitted according to the instructions provided in this form and the direct filing instructions posted on www.uscis.gov. Either the obligor (or the agent/co-obligor, if any) or the alien (or the alien's executor or accredited representative, if any) may submit this form. The alien (or the alien's executor, or the alien's attorney or accredited representative, if any) may submit Form I-356 (and evidence that the conditions of the bond have been met) without the obligor or any agent/co-obligor, but USCIS encourages completion of the entire form.

NOTE: The term "you" in these instructions refers to the person(s) completing this form or parts of this form, including the alien (or his or her executor or accredited representative, if any) or the obligor (or the obligor's agent/co-obligor, if any).

How Is Form I-356 Used?

Public Charge Bonds (Form I-945) are posted as security under the condition that the alien will not receive public benefits (as defined in 8 CFR 212.21(b)) for more than 12 months in the aggregate within any 36 month period (such that, for instance, receipt of two benefits in one month counts as two months), after the alien's adjustment to that of a lawful permanent resident and during the bond's effective period. If an alien receives public benefits as defined in 8 CFR 212.21(b), for more than 12 months in the aggregate within any 36 month period (such that, for instance, receipt of two benefits in one month counts as two months), the bond is breached and forfeited.

NOTE: This form does not have to be filed if a substitute bond is submitted to release an obligor from the current liability of a public charge bond posted with USCIS on the alien's behalf. We will not make any breach or cancellation assessments as part of a substitution of a public charge bond currently on file with USCIS. For more information about substitution of a public charge bond, please see Form I-945, Public Charge Bond, and its instructions. Information addressing substitution of public charge bonds may be found in 8 CFR 213.1.

When Will USCIS Cancel a Public Charge Bond?

A public charge bond will be cancelled once the alien has naturalized, permanently departed the United States, or died. See INA section 213 and 8 CFR 213.1. The bond may also be cancelled upon the fifth anniversary of the alien's adjustment of status to that of a lawful permanent resident, or if the alien, following the grant of lawful permanent resident status, obtains another immigration status in the United States that is exempt from the public charge ground of inadmissibility. See INA section 212(a)(4).

Regardless of the reason an obligor or the alien may seek to cancel the public charge bond, the U.S. Department of Homeland Security (DHS) will only cancel the public charge bond if:

1. The obligor (or agent/co-obligor) or the alien file this form to request cancellation of the public charge bond; and
2. The alien can establish that he or she has not received public benefits, as defined in 8 CFR 212.21(b), for more than 12 months in the aggregate within any 36 month period (such that, for instance, receipt of two benefits in one month counts as two months), after the alien's adjustment of status to that of a lawful permanent resident and until the bond is cancelled, and has otherwise complied with the conditions of the bond.

When examining whether the bond can be cancelled, USCIS evaluates whether the conditions of the bond are satisfied and all requirements for cancellation are met.

If this application and the evidence does not establish that the bond can be cancelled, the bond will remain in place until the conditions for cancellation of the bond are met. USCIS will inform the obligor and the alien of the decision. The obligor, but not the alien (or the alien's representative, if applicable), may appeal the decision in accordance with 8 CFR 103, Subpart A.

General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS Contact Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

Signature. Each part of the form must be properly signed. For all signatures on this form, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the form on your behalf. A legal guardian may also sign for a mentally incompetent person. If the alien is deceased, the alien's executor may sign for the alien. An agent/co-obligor acting as the authorized agent may sign on behalf of the obligor.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original, handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten, ink signature. Executors signing on behalf of a deceased alien must submit a certified copy of the document that establishes the legal authority to act on behalf of the alien's estate, such as a small estate affidavit, a will, or a court order.

Evidence. At the time of filing, you must submit all evidence and supporting documentation listed in the Instructions.

Copies. You should submit legible photocopies of the documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

NOTE: If you submit original documents when not required or requested by USCIS or the Immigration Court, **your original documents may be immediately destroyed after we receive them.**

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must include the translator's signature. DHS recommends the certification contain the translator's printed name, the signature date, and the translator's contact information.

Part 4. Reason for Cancellation of the Bond

Item Number 1. U.S. Citizenship. Indicate whether or not you have become a U.S. citizen. If yes, please provide proof of your citizenship.

Item Number 2. Permanent Departure. Indicate that you permanently departed the United States. For the specific purpose of cancelling a bond, evidence of such permanent departure includes:

1. Evidence that you have submitted Form I-407, Record of Abandonment of Lawful Permanent Resident Status, from outside the United States and have actually departed the United States;
2. Evidence that you were placed into removal (or exclusion or deportation proceedings), and were physically removed, excluded, or deported from the United States; or
3. Evidence that an immigration judge granted you voluntary departure under INA 240B, and that you departed while the voluntary departure order was in effect.

Provide all information that is requested in **Item Number 2.** and attach the evidence that is requested in each **Item Number.**

USCIS will not cancel a bond in certain situations, even if you may have abandoned or lost your lawful permanent resident status. These situations include the following:

1. You left the United States to live abroad permanently and with the intention to abandon your LPR status but did not submit Form I-407 from outside the United States and according to its instructions;

2. Your lawful permanent resident status was rescinded or revoked, whether in removal proceedings or not, but you are unable to show that you have left the United States; or
3. You have an outstanding voluntary departure order or outstanding removal (or exclusion or deportation) order but you have not yet departed the United States or have not yet been removed, excluded, or deported.

Item Number 3. Death of the Alien. If the alien for whom the bond was posted has died since the bond was accepted by DHS, and you are the executor of the alien's affairs or otherwise acting on behalf of the alien's estate, please answer the questions and provide the information requested in **Items A. through B. and Item Number 4.**, including your relationship to the deceased. Please attach a certified copy of the document that establishes your legal authority to act on behalf of the alien's estate, such as a, small estate affidavit, will, or a court order, or your relationship to the deceased. Please also provide a certified copy of the death certificate.

Item Number 4. Five Years as a Lawful Permanent Resident. Answer "Yes" if you have been a lawful permanent resident for at least five years. Provide the date when you became a lawful permanent resident, in mm/dd/yyyy format. Provide a copy of your lawful permanent resident card.

Part 5. Alien's Receipt of Public Benefits Since Alien's Adjustment of Status to that of a Lawful Permanent Resident (to be Completed by the Alien or the Alien's Executor (if the Alien Is Deceased))

Please provide the information requested in Item Numbers 1 and 2.

Please provide the information requested about your (the alien's) receipt of public benefits, as defined in 8 CFR 212.21(b) (listed below) for more than 12 months in the aggregate within any 36 month period (such that, for instance, receipt of two benefits in one month counts as two months), since your adjustment of status to that of a lawful permanent resident (for which a bond was submitted on your behalf). If you have terminated the receipt of benefits, provide the documentation that indicates you will no longer receive the benefits with the applicable termination date.

Receipt means when a benefit-granting agency provides or has provided a public benefit to you whether in the form of cash, voucher, services, or insurance coverage. **NOTE: DHS will only consider the public benefits received by or attributable to the alien himself or herself. In addition, USCIS does not consider any public benefits received after a person becomes a U.S. citizen. You do not need to provide information of public benefits received after you became a citizen, if applicable.**

In the space designated, please provide all requested information about each public benefit regardless of the amount or the duration. USCIS will calculate the relevant **public benefit receipt** duration to determine whether **the alien breached the bond. If the alien breached the bond, USCIS will not cancel the bond.** (Please note that you **need to** respond even if you fall within one of categories of individuals for whom receipt of public benefits will not be considered – see the table below for evidence that must be provided to document that the alien qualifies for the exemption). Please select all that apply. If you require additional space, please use the space provided in **Part 10. Additional Information.**

In the space provided, indicate you have received, since your adjustment of status to that of a lawful permanent resident (for which a bond was submitted on your behalf) any of the following benefits (select all that apply):

1. Any Federal, State, local, or tribal cash assistance for income maintenance including:
 - A. Supplemental Security Income (SSI);
 - B. Temporary Assistance for Needy Families (TANF);
 - C. Federal, State or local cash benefit programs for income maintenance (often called "General Assistance" in the State context, but which may exist under other names);
 - D. Supplemental Nutrition Assistance Program (SNAP, or formerly called "Food Stamps");
 - E. Section 8 Housing Assistance under the Housing Choice Voucher Program;

- F. Section 8 Project-Based Rental Assistance (including Moderate Rehabilitation);
- G. Public Housing under the Housing Act of 1937, 42 U.S.C. 1437 et seq.; or
- H. Federally-Funded Medicaid.

If you have not received any of the public benefits listed above, please select that option.

If you are not currently certified to receive any of the public benefits listed above, please select that option

As part of the determination of whether USCIS can cancel the bond or whether the alien has breached the bond, USCIS will consider the above listed public benefits except as exempted below.

The following is a list of exemptions from the public benefit(s) considerations listed above. If you have received public benefits and belong to one of the following categories, submit the evidence listed below.
