

Service Impact

The FLAG Technical Team will be working to resolve the technical issue affecting filers' ability to download attachments for previously submitted applications. During this period, users may experience a delay in changes to case status and new document availability. We apologize in advance for any inconvenience this may cause and thank you for your patience.

Scheduled Maintenance

On Saturday, February 19, 2022, between 10:00 AM and 12:00 PM Eastern Time, the U.S. Department of Labor will be conducting routine system maintenance on the Foreign Labor Application Gateway (FLAG) System. During this period, certain functionality within FLAG may be affected (e.g., view and perform case actions, display and issue permanent case numbers, link prevailing wage and job order cases to new temporary labor applications, etc.). We apologize in advance for any inconvenience this may cause and thank you for your patience.
