ICE Appointment Scheduler update

WASHINGTON – U.S. Immigration and Customs Enforcement (ICE) announced that noncitizens can now change their check-in appointments directly through the [ICE Appointment Scheduler](#). Previously, noncitizens had to change their appointments via phone or in person.

The [ICE Appointment Scheduler](#) is a web-based, multilingual, and smartphone compatible appointment scheduler for noncitizens. The ICE Appointment Scheduler is available in English, Spanish, Portuguese, Haitian Creole and French.

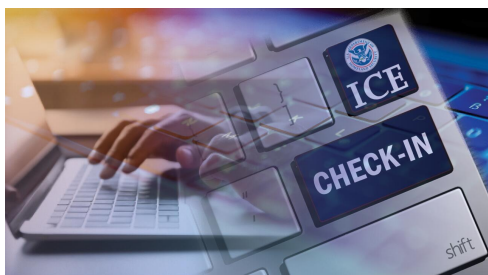

The tool allows noncitizens to schedule their required check-in appointments at ICE Enforcement and Removal Operations (ERO) offices as they await immigration proceedings.

Noncitizens can create their initial appointment online using information found on their I-385 form.

Technical support is available 8 a.m. to 5 p.m. EST by calling the [ICE Victims Engagement and Services Line \(VESL\)](#) at (833) 383-1465.
