[Docket ID: FEMA–2024–0020; OMB No. 1660–0039]

**Agency Information Collection Activities: Submission for OMB Review, Comment Request; National Fire Academy Long-Term Evaluation Form for Supervisors and National Fire Academy Long-Term Evaluation Form for Students/Trainees****AGENCY:** Federal Emergency Management Agency, Department of Homeland Security.**ACTION:** 30-Day notice of extension and request for comments.

**SUMMARY:** The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA invites the general public to take this opportunity to comment on an extension, without change, of a currently approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning the long-term evaluation forms used to evaluate all National Fire Academy training.

**DATES:** Comments must be submitted on or before December 9, 2024.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address [FEMA-Information-Collections-Management@fema.dhs.gov](mailto:FEMA-Information-Collections-Management@fema.dhs.gov) or Dawn Long, Statistician, Federal Emergency Management Agency, United State Fire Administration, National Fire Academy, (301) 447–1488, and [dawn.long@fema.dhs.gov](mailto:dawn.long@fema.dhs.gov).

**SUPPLEMENTARY INFORMATION:** The National Fire Academy is mandated under the Fire Prevention and Control

Act of 1974 (Pub. L. 93–498) to provide training and education to the Nation’s fire service and emergency service personnel. The state-of-the-art programs offered by the National Fire Academy serve as models of excellence and State and local fire service agencies rely heavily on the curriculum to train their personnel. To maintain the quality of these training programs, it is critical that courses be evaluated after students have had the opportunity to apply the knowledge and skills gained from their training. Information collected from the evaluation forms enables the U.S. Fire Administration and National Fire Academy staff to monitor and recommend changes in course materials, individual subject selection criteria, and to make curriculum-wide reviews and assessments.

This proposed information collection previously published in the **Federal Register** on July 22, 2024, at 89 FR 59128 with a 60-day public comment period. FEMA received zero public comments. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.

RIN 1601–ZA11

**Identification of Foreign Countries Whose Nationals Are Eligible To Participate in the H–2A and H–2B Nonimmigrant Worker Programs****AGENCY:** Office of the Secretary, DHS.**ACTION:** Notice.

**SUMMARY:** Under Department of Homeland Security (DHS) regulations, U.S. Citizenship and Immigration Services (USCIS) may generally only approve petitions for H–2A and H–2B nonimmigrant status for nationals of countries that the Secretary of

Homeland Security, with the concurrence of the Secretary of State, has designated by notice published in the **Federal Register**. Each such notice shall be effective for one year after its date of publication. This notice announces that the Secretary of Homeland Security, in consultation with the Secretary of State, is identifying 88 countries whose nationals are eligible to participate in the H-2A program and 89 countries whose nationals are eligible to participate in the H-2B program for the coming year.

**DATES:** The designations in this notice are effective from November 7, 2024 and shall be without effect on November 8, 2025.

**FOR FURTHER INFORMATION CONTACT:**

Patrice Francis, Office of Strategy, Policy, and Plans, Department of Homeland Security, Washington, DC 20528, (202) 282-9708.

**SUPPLEMENTARY INFORMATION:**

**Background**

Generally, USCIS may approve H-2A and H-2B petitions for nationals of only those countries that the Secretary of Homeland Security, with the concurrence of the Secretary of State, has designated as participating countries.<sup>1</sup> Such designation must be published as a notice in the **Federal Register** and expires after one year. In designating countries to include on the lists, the Secretary of Homeland Security, with the concurrence of the Secretary of State, will take into account factors including, but not limited to: (1) the country's cooperation with respect to issuance of travel documents for citizens, subjects, nationals, and residents of that country who are subject to a final order of removal; (2) the number of final and unexecuted orders of removal against citizens, subjects, nationals, and residents of that country; (3) the number of orders of removal executed against citizens, subjects, nationals, and residents of that country; and (4) such other factors as may serve

<sup>1</sup> With respect to all references to "country" or "countries" in this document, it should be noted that the Taiwan Relations Act of 1979, Public Law 96-8, Section 4(b)(1), provides that "[w]henver the laws of the United States refer or relate to foreign countries, nations, states, governments, or similar entities, such terms shall include and such laws shall apply with respect to Taiwan." 22 U.S.C. 3303(b)(1). Accordingly, all references to "country" or "countries" in the regulations governing whether nationals of a country are eligible for H-2 program participation, 8 CFR 214.2(h)(5)(i)(F)(1)(i) and 8 CFR 214.2(h)(6)(i)(E)(1), are read to include Taiwan. This is consistent with the United States' one-China policy, under which the United States has maintained unofficial relations with Taiwan since 1979.

the U.S. interest. *See* 8 CFR 214.2(h)(5)(i)(F)(1)(i) and 8 CFR 214.2(h)(6)(i)(E)(1).<sup>2</sup> Examples of specific factors serving the U.S. interest that are taken into account when considering whether to designate or terminate the designation of a country include, but are not limited to: fraud (*e.g.*, fraud in the H-2 petition or visa application process by nationals of the country, the country's level of cooperation with the U.S. government in addressing H-2 associated visa fraud, and the country's level of information sharing to combat immigration-related fraud), nonimmigrant visa overstay<sup>3</sup> rates for nationals of the country (including but not limited to H-2A and H-2B nonimmigrant visa overstay rates), and non-compliance with the terms and conditions of the H-2 visa programs by nationals of the country.

As previously indicated, *see* 88 FR 77343, in evaluating the U.S. interest, the Secretary of Homeland Security, with the concurrence of the Secretary of State, will generally ascribe a negative weight to evidence that a country had a suspected in-country visa overstay rate of 10 percent or higher with a number of expected departures of 50 individuals or higher in either the H-2A or H-2B classification according to U.S. Customs and Border Protection overstay data, and generally, with the concurrence of the Secretary of State, will terminate designation of that country from the H-2A or H-2B nonimmigrant visa program, as appropriate, unless, after consideration of other relevant factors, it is determined not to be in the U.S. interest to do so.

Similarly, DHS recognizes that countries designated under long-

<sup>2</sup> DHS published a Notice of Proposed Rulemaking (NPRM) in the **Federal Register** that proposes to eliminate the requirement to designate countries whose nationals are eligible to participate in the H-2A and H-2B programs from DHS regulations. 88 FR 65040 (Sep. 20, 2023). The rule is in a proposal stage and does not impact the designation of eligible countries contained in this notice. The regulations requiring the designation of countries whose nationals are eligible to participate in the H-2 programs remain in effect until such time as DHS publishes any final rule amending such regulations and such final rule goes into effect, if applicable.

<sup>3</sup> An overstay is a nonimmigrant lawfully admitted to the United States for an authorized period, but who remained in the United States beyond his or her authorized period of admission. U.S. Customs and Border Protection (CBP) identifies two types of overstays: (1) individuals for whom no departure was recorded (Suspected In-Country Overstays), and (2) individuals whose departure was recorded after their authorized period of admission expired (Out-of-Country Overstays). For purposes of this **Federal Register** Notice, DHS uses Fiscal Year 2023 CBP nonimmigrant overstay data for the H-2A and H-2B nonimmigrant visa categories and the Fiscal Year 2023 Entry/Exit Overstay Report for all other visa categories.

standing practice by U.S. Immigration and Customs Enforcement (ICE) as "At Risk of Non-Compliance" or "Uncooperative" with removals based on ICE data put the integrity of the immigration system and the American people at risk. Therefore, unless other favorable factors in the U.S. interest outweigh such designations by ICE, the Secretary of Homeland Security, with the concurrence of the Secretary of State, generally will terminate designation of such countries from the H-2A and H-2B nonimmigrant visa programs. Because there are separate lists for the H-2A and H-2B categories, it is possible that, in applying the above-described regulatory criteria for listing countries, a country may appear on one list but not on the other.

Even where the Secretary of Homeland Security has determined to terminate or decided not to designate a country, DHS, through USCIS, may allow, on a case-by-case basis, a national from a country that is not on the list to be named as a beneficiary of an H-2A or H-2B petition based on a determination that it is in the U.S. interest, in the totality of the circumstances, for that individual noncitizen to be a beneficiary of an H-2 petition. Determination of such U.S. interest will take into account factors, including but not limited to: (1) evidence from the petitioner demonstrating that a worker with the required skills is not available either from among U.S. workers or from among foreign workers from a country currently on the list described in 8 CFR 214.2(h)(5)(i)(F)(1)(i) (H-2A nonimmigrants) or 214.2(h)(6)(1)(E)(1) (H-2B nonimmigrants), as applicable; (2) evidence that the beneficiary has been admitted to the United States previously in H-2A or H-2B status; (3) the potential for abuse, fraud, or other harm to the integrity of the H-2A or H-2B visa program through the potential admission of a beneficiary from a country not currently on the list; and (4) such other factors as may serve the U.S. interest. *See* 8 CFR 214.2(h)(5)(i)(F)(1)(ii) and 8 CFR 214.2(h)(6)(i)(E)(2). An additional factor for beneficiaries of H-2B petitions, although not necessarily determinative, would be whether the H-2B petition qualifies under section 1049 of the National Defense Authorization Act (NDAA) for FY 2018, Public Law 115-91, section 1045 of the NDAA for FY 2019, Public Law 115-232, section 9502 of the NDAA for FY 2021, Public Law 116-283, or section 5901 of the NDAA for FY 2023, Public Law 117-263. The FY 2024 NDAA, which took effect on

December 22, 2023, extended the current exemption from the temporary need requirement for an additional 5 years, through the end of the day on December 30, 2029. *See* FY 2024 NDAA, Public Law 118–31 section 1807.

In December 2008, DHS published the first lists of eligible countries for the H–2A and H–2B Visa Programs in the **Federal Register**. These notices, “Identification of Foreign Countries Whose Nationals Are Eligible To Participate in the H–2A Visa Program,” and “Identification of Foreign Countries Whose Nationals Are Eligible To Participate in the H–2B Visa Program,” designated 28 countries whose nationals were eligible to participate in the H–2A and H–2B programs. *See* 73 FR 77043 (Dec. 18, 2008); 73 FR 77729 (Dec. 19, 2008). The notices ceased to have effect on January 17, 2009, and January 18, 2009, respectively. Since the publication of the first lists in 2008, with the concurrence of the Secretary of State, DHS has published a series of notices on a regular basis. *See* 75 FR 2879 (Jan. 19, 2010) (adding 11 countries to both programs); 76 FR 2915 (Jan. 18, 2011) (removing one country from and adding 15 countries to both programs); 77 FR 2558 (Jan. 18, 2012) (adding five countries to both programs); 78 FR 4154 (Jan. 18, 2013) (adding one country to both programs); 79 FR 3214 (Jan. 17, 2014) (adding four countries to both programs); 79 FR 74735 (Dec. 16, 2014) (adding five countries to both programs); 80 FR 72079 (Nov. 18, 2015) (removing one country from the H–2B program and adding 16 countries to both programs); 81 FR 74468 (Oct. 26, 2016) (adding one country to both programs); 83 FR 2646 (Jan. 18, 2018) (removing three countries from and adding one country to both programs); 84 FR 133 (Jan. 18, 2019) (removing two countries from and adding 2 countries to both programs, removing one country from only the H–2B program, and adding one country to only the H–2A program); 85 FR 3067 (January 17, 2020) (leaving the lists unchanged); 86 FR 2689 (Jan. 13, 2021) (removing two countries from both programs, removing one country from only the H–2A program, and adding one country to only the H–2B program); 86 FR 62559 (Nov. 10, 2021) (removing one country from only the H–2A program, adding one country to only the H–2B program, and separately adding five countries to both programs); 87 FR 67930 (Nov. 10, 2022) (adding one country to both programs); and 88 FR 77343 (Nov. 9, 2023) (adding one country to both programs).

### Determination of Countries With Continued Eligibility

The Secretary of Homeland Security has determined, with the concurrence of the Secretary of State, that the 87 countries previously designated to participate in the H–2A program in the November 9, 2023 notice continue to meet the regulatory standards for eligible countries and therefore should remain designated as countries whose nationals are eligible to participate in the H–2A program. Additionally, the Secretary of Homeland Security has determined, with the concurrence of the Secretary of State, that the 88 countries previously designated to participate in the H–2B program in the November 9, 2023 notice continue to meet the regulatory standards for eligible countries and therefore should remain designated as countries whose nationals are eligible to participate in the H–2B program. These determinations take into account how the regulatory factors identified above apply to each of these countries.

Consistent with the previous notices, nationals of non-designated countries may still be beneficiaries of approved H–2A and H–2B petitions upon the request of the petitioner if USCIS determines, as a matter of discretion and on a case-by-case basis, that it is in the U.S. interest for the individual to be a beneficiary of such petition. *See* 8 CFR 214.2(h)(5)(i)(F)(1)(ii) and 8 CFR 214.2(h)(6)(i)(E)(2). USCIS may favorably consider a beneficiary of an H–2A or H–2B petition who is not a national of a country included on the H–2A or H–2B eligibility lists as serving the national interest, depending on the totality of the circumstances. Factors USCIS may consider include, among other things, whether a beneficiary has previously been admitted to the United States in H–2A or H–2B status and complied with the terms of the program. An additional factor for beneficiaries of H–2B petitions, although not necessarily determinative, would be whether the H–2B petition qualifies under section 1049 of the National Defense Authorization Act (NDAA) for FY 2018, Public Law 115–91, section 1045 of the NDAA for FY 2019, Public Law 115–232, section 9502 of the NDAA for FY 2021, Public Law 116–283, or section 5901 of the NDAA for FY 2023, Public Law 117–263. The FY 2024 NDAA, which took effect on December 22, 2023, extended the current exemption from the temporary need requirement for an additional 5 years, through the end of the day on December 30, 2029. *See* FY 2024 NDAA, Public Law, 118–31, section 1807. However, any ultimate

determination of eligibility will be made according to all the relevant factors and evidence in each individual circumstance.

### Countries Now Designated as Eligible

The Secretary of Homeland Security has also determined, with the concurrence of the Secretary of State, that Belize should be designated as an eligible country to participate in both the H–2A and H–2B nonimmigrant visa programs because its participation is in the U.S. interest consistent with the regulations governing these programs.

Belize consistently cooperates with accepting its nationals subject to a final order of removal. Furthermore, Belizean nationals are generally compliant with the terms and conditions of all visa categories. Nationals of Belize do not present significant visa overstay concerns and its overstay rates are generally consistent with other countries currently listed as eligible to participate in the H–2A and H–2B programs. In FY 2023, visa overstay rates for Belizean nationals were less than five percent across all visa categories. Adding Belize to these programs would contribute to DOS’s goals of promoting economic development and improving bilateral commercial relationships with Belize. Additionally, while irregular migration of Belizean nationals to the United States remains low, inclusion of Belize in the H–2A and H–2B programs will provide an alternative, lawful, pathway to irregular migration for Belizean nationals seeking economic opportunities in the United States.

DHS recognizes that Belize was previously removed from the H–2A and H–2B eligible countries list in 2018. At that time, DHS explained that Belize did not meet the standards for inclusion on the list due to its “Tier 3” placement on the U.S. Department of State’s 2017 Trafficking in Persons report.<sup>4</sup> A “Tier 3” placement is given to a country that does not fully meet the Trafficking Victims Protection Act’s (TVPA) minimum standards and is not making significant efforts to meet those standards.<sup>5</sup> Belize has since been rated as a “Tier 2” placement, meaning that, while the country does not yet fully meet the TVPA’s minimum standards, it is making significant efforts towards compliance with those standards.<sup>6</sup> Accordingly, DHS does not have the same concerns regarding Belize’s

inclusion on the list as previously, and DHS has determined that, based on a review of the relevant factors, adding Belize to both the H-2A and H-2B eligible countries lists serves the U.S. interest.

## II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(c) of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*), we invite public comments on permit applications before final action is taken. With some exceptions, the ESA prohibits certain activities with listed species unless Federal authorization is issued that allows such activities. Permits issued under section 10(a)(1)(A) of the ESA allow otherwise prohibited activities for scientific purposes or to enhance the propagation or survival of the affected species. Service regulations regarding prohibited activities with endangered species, captive-bred wildlife registrations, and permits for any activity otherwise prohibited by the ESA with respect to any endangered species are available in title 50 of the Code of Federal Regulations in part 17.
