**USCIS Reminds Applicants to Submit the Correct Fee when Filing Form I-765,
Application for Employment Authorization**

On Jan. 31, 2024, USCIS published a [final rule](#) that adjusts certain immigration and naturalization benefit request fees. This final rule went into effect on April 1, 2024.

Since then, USCIS has seen a significant increase of [Forms I-765, Application for Employment Authorization](#), being filed without the correct fee.

Please confirm that you have included the correct fee before submitting your Form I-765.

What You Need to Know

Common filing fees for Form I-765 are:

- Online filing: \$470
- Paper filing: \$520
- Online and paper filing for adjustment of status applicants (category (c)(9)): \$260 if you filed [Form I-485, Application to Register Permanent Residence or Adjust Status](#), with a fee on or after April 1, 2024, and your Form I-485 is still pending.

If you are a (c)(9) or (c)(16) Current Adjustment of Status or Registry applicant and you filed your [Form I-485](#), on or after July 30, 2007, and **before April 1, 2024**, and paid the I-485 fee, there is no fee to file Form I-765 while your Form I-485 remains pending.

We will reject any forms postmarked on or after April 1, 2024, that are filed with an incorrect fee. Please visit the [G-1055, Fee Schedule](#) webpage for a full list of Form I-765 filing fees. We also encourage you to visit our [Frequently Asked Questions on the USCIS Fee Rule](#) page.
