MEMORANDUM FOR: Directors, Field Operations
Office of Field Operations

Directors, Preclearance Operations
Office of Field Operations (b) (6), (b) (7)(C)

FROM: Executive Director
Admissibility and Inspection

SUBJECT: (b) (7)(E)

On September 09, 2010 enhancements were made to (b) (7)(E) The Office of Field Operations (OFO) with the assistance of the Office of Information and Technology (OIT) is closely monitoring (b) (7)(E) activity for efficiency.

In 2010 our reports indicated that there were a number of issues that required modifications. As a result, OIT completed several system changes that affected (b) (7)(E)

Attached is a weekly muster topic that should be disseminated. Upon receipt please disseminate to all ports of entry under your area of responsibility. The purpose of this muster is to remind (b) (7)(E)

If you have any questions, concerns, or suggestions regarding this process, please have a member of your staff contact (b) (6), (b) (7)(C) Program Manager, Enforcement Policy, Admissibility and Passenger Processing at (b) (6), (b) (7)(C)
