Operations During a Lapse in Appropriations

At this time, scheduled passport and visa services in the United States and at our U.S. Embassies and Consulates overseas will continue during the lapse in appropriations as the situation permits. We will not update this website until full operations resume, with the exception of urgent safety and security information. The National Visa Center, National Passport Information Center, and Kentucky Consular Center will still accept telephone calls and inquiries from the public. Please note we will be closed for scheduled federal holidays on December 24 and 25 and will reopen on December 26.
