U.S. Customs and Border Protection

MEMORANDUM FOR: Directors, Field Operations  
Director, Pre Clearance **(b) (6), (b) (7)(C)**

FROM: Executive Director **(b) (6), (b) (7)(C)**  
Admissibility and Passenger Programs

SUBJECT: Egress/Exit Control Processing at Air Ports of Entry

The purpose of this memorandum is to reinforce Egress/Exit Control procedures at air Ports of Entry. Ports will review their established Egress/Exit Control procedures to ensure they are in compliance with the direction in this memorandum.

The Egress/Exit Control is designed to verify all arriving international air passengers have been inspected and any required secondary inspections have been completed prior to exiting the Federal Inspection Services (FIS) area. **(b) (7)(E)**

**(b) (7)(E)**

Methods for securely validating egress control documents may vary from Port to Port. However,

**(b) (7)(E)**

**(b) (7)(E)** Port Directors shall ensure that CBP personnel are trained in Egress/Exit Control procedures.

Ports will develop procedures for communication between primary, secondary and Egress/Exit Control to identify when passengers have completed CBP processing. In addition, procedures

**(b) (7)(E)**

If you have any questions, please have a member of your staff contact **(b) (6), (b) (7)(C)** Deputy Executive Director, Admissibility and Passenger Programs, at **(b) (6), (b) (7)(C)**
