New U.S. Bridge Visa Foil

- The U.S. has begun issuing a new Bridge visa foil.
- This is a redesigned visa foil that will replace the Lincoln Visa.
- As each Consular Post depletes Lincoln Visa stock, they will begin to issue the Bridge Visa.
- All Lincoln Visas will remain valid until the printed expiration date unless revoked or cancelled.

If you have a question on boarding a traveler, it should be directed to the appropriate Regional Carrier Liaison Group (RCLG), Immigration Advisory Program (IAP) Officer or Joint Security Program (JSP) Officer.
