Calendar Year 2020

- **April 8, 2020. OFLC Announces Schedule for the Final Phase of Decommissioning the iCERT System.**

The Office of Foreign Labor Certification (OFLC) is making this public service announcement to alert employers and other interested stakeholders that the legacy iCERT System will be fully decommissioned on **May 1, 2020**.

As part of the Department's technology modernization initiative, the [Foreign Labor Application Gateway \(FLAG\) System](#) was implemented to replace the legacy iCERT System, improve customer service, and modernize the administration of foreign labor certification programs.

On February 28, 2020, OFLC initiated the decommissioning process by transitioning the legacy iCERT System to a read-only mode where users can access their accounts to view, download, or copy information related to their applications.

On May 1, 2020, the legacy iCERT System will no longer be accessible to account holders and the general public will be redirected to the [FLAG System](#). As a reminder, iCERT System account holders who need to request a specific case action on an application submitted in the iCERT System (e.g., withdraw applications, request reconsideration, etc.) should continue to contact the relevant [OFLC program helpdesk](#) for review and appropriate action.

- **April 1, 2020. OFLC Releases Round 2 of COVID-19 Frequently Asked Questions Covering Issues Related to the H-2A Temporary Agricultural Labor Certification Program.**

The Office of Foreign Labor Certification released Round 2 of frequently asked questions (FAQs) regarding COVID-19. The Round 2 FAQs address potential issues regarding the H-2A temporary agricultural labor certification program.

- **April 1, 2020. OFLC Temporarily Suspends Daily Mail Processing at Atlanta and Chicago National Processing Centers, Urges Employers to File Documents Electronically.**

On March 20, 2020, Illinois Governor JB Pritzker directed all individuals currently living in the State of Illinois to stay at home or at their place of residence, which currently extends through April 7, 2020. On March 23, 2020, City of Atlanta Mayor Keisha Lance Bottoms, directed all individuals living in the territorial jurisdictional limits of the city of Atlanta to stay at their place of residence, effective March 24, 2020.

The Office of Foreign Labor Certification has temporarily suspended daily mail processing at its Atlanta and Chicago National Processing Centers (NPCs) in order to protect the health and safety of its staff and help slow the spread of COVID-19. OFLC will monitor mail delivered to its NPCs once a week to ensure that time-sensitive documents are processed.

The Atlanta and Chicago NPCs continue to electronically process and issue labor certifications that meet all statutory and regulatory requirements under the federal government's maximum telework flexibilities operating status.

OFLC strongly encourages all employers (and their authorized attorneys or agents) to use the [Foreign Labor Application Gateway \(FLAG\)](#) and [PERM electronic filing systems](#) for filing new applications and uploading responsive documents on applications currently under review. Alternatively, employers and their authorized attorneys or agents may file applications and responsive documentation using email at the following addresses: TLC.Chicago@dol.gov (Chicago NPC) and PLC.Atlanta@dol.gov (Atlanta NPC). See the [COVID-19 Frequently Asked Questions, Round 1](#), issued on March 20, 2020, for more information.

- **March 24, 2020. OFLC Announces Issuance of Electronic PERM Labor Certifications in Response to the Impact of the COVID-19 Pandemic**

Due to the impact of the COVID-19 pandemic, the Office of Foreign Labor Certification (OFLC) is making this public service announcement to alert employers and other interested stakeholders that, **beginning March 25, 2020, and through June 30, 2020**, the Atlanta National Processing Center (NPC) will issue PERM labor certification documents electronically to employers and their authorized attorneys or agents.

Department of Homeland Security (DHS) regulations provide that, in order to file a USCIS Form I-140, *Immigrant Petition for Alien Workers*, with United States Citizenship and Immigration Services (USCIS), for certain employment-based immigrant visas, an employer must concurrently submit an **original labor certification** issued by the Department of Labor (DOL), unless the original labor certification was already provided to USCIS in support of a different petition. Currently, when a permanent labor certification is granted, OFLC sends an original certified Form ETA-9089, *Application for Permanent Employment Certification*, and a Final Determination letter on security paper to the employer or, if applicable, the employer's authorized attorney or agent who submitted the application. To be valid, the certified Form ETA-9089 contains a completed:

- Section O, signed and dated by the OFLC Certifying Officer;
- Footer on each page identifying the validity period of the certification;
- Section L, signed and dated by the foreign worker.

ETA Doc. No. 20040834. (Posted 4/8/20)
